Fibrant to conduct scheduled maintenance

Salisbury, N.C., (Monday, June 6, 2016) – Fibrant will be conducting scheduled maintenance during the early morning hours of Tuesday, June 7, and Wednesday, June 8. During the maintenance period, various Fibrant services will be impacted. The following is a schedule of expected impacts:

- Tuesday, June 7: Video services will be impacted from 1 to 3 a.m. Internet and telephone services will be down for a 15-minute period between 3 and 4 a.m.
- Wednesday, June 8: There will be three separate video service interruptions that will each last up to five minutes between 1 and 5 a.m. There are no planned internet or telephone interruptions.

For more information, please call Fibrant Technical Services at (704) 638-5300.

The City of Salisbury, America's first 10-gigabit city, is located in the heart of the Piedmont region of North Carolina, midway between Charlotte and Greensboro. Salisbury is the county seat of Rowan County, and provides a full range of municipal services, including law enforcement, fire protection, zoning and code enforcement and water and sewer systems.
